

### Coronavirus Update – Student Attendance

The latest advice from the NT Department of Education is that, whilst NT schools are remaining open, parents can choose to keep their child home for the remainder of the school term. Please advise the school if your child is not attending school and contact your child's teacher for learning activities that can occur at home.

The school has been sending information home that is distributed from the Department of Education and will continue to do so. We take the advice provided by the Department and based on current NTG advice. We follow the advice carefully and will continue to do so, as the situation evolves. Parents have received information on school hygiene practices and other measures taken to mitigate risk. Please check information that is sent home with students and also Schoolbag app. Please ensure that you have the Schoolbag app – a note has been sent home about this and information is in each newsletter.

Again, NT schools remain open. However, parents have the option of keeping their child home for the remainder of the school term. The last day of this term is Thursday 9<sup>th</sup> April. This is followed by the one week mid-semester break. Term 2 resumes on Monday 20<sup>th</sup> April.

Thank you for the calm support that we have received from our school community.

Regards,

Fathma Mauger  
Principal

Natasha Guse  
Assistant Principal

Rick Collister
