

Professional Development Days for Teachers Monday 6th April – Thursday 9th April 2020

A letter was sent home last week from the Department of Education to advise of school arrangements next week. This is to remind parents that from Monday 6 April to Thursday 9 April 2020, teachers will be undertaking professional development days to prepare for the continued delivery of education in Term 2.

The school will remain open for children of essential service workers and for any vulnerable children who may need to attend. Children attending will be supervised whilst engaged in learning activities with other students and teachers. OSHC will continue to operate as usual after school. The canteen will continue to be closed next week.

The mid-semester school break is 10-17 April.

20 April is the transition to new teaching and learning arrangements in line with advice from health authorities. Please visit the Department of Education website www.education.nt.gov.au for Term 2 information in regards to schools.

In the case of remote learning for Term 2, our staff will be using Seesaw as a platform for e-Learning. If you are not registered for Seesaw, please contact your child's class teacher.
