

Larrakeyah Primary School

Newsletter, Wednesday 20th June,

Dear Parents and Guardians,

We had the first session today of our Sports Carnival with Primary 800m races and field events for middle and upper primary students. Tomorrow we have the Early Childhood tabloids. This Friday, we have our whole school House marches, Primary/Early Childhood/Preschool races, 100/200m races and relay races. Please come along and support your children.

Commencing last week, both Assistant Principals and I have been meeting with each individual teacher for data coaching. We meet with each teacher so that teachers can discuss their student data with us, discuss areas of student growth, improvement and trends and how this data influences their future planning and teaching practice. It is important for us to understand, not just whole school data, but student data at an individual level and to identify areas for staff professional development. Data coaching is highly beneficial and we have been impressed with how well teachers understand their students' learning needs and can discuss student progress.

Regards,

Fathma Mauger

SCIENCE LESSON:

Magnet race and Exploring littleBits

NAME: _____

Race results

1. Record your results for the race track game in the table below.

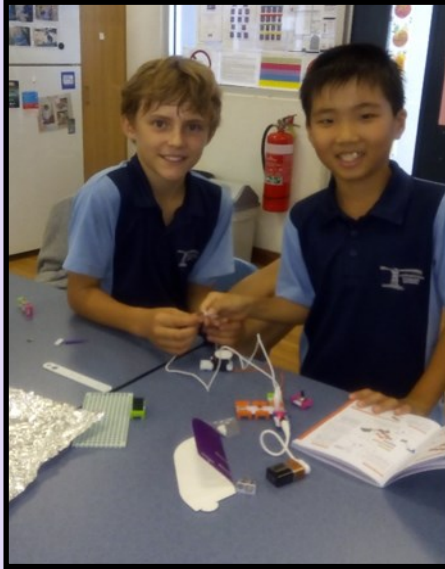

Magnet used	Object used	Time	Position
1	Paperclip	48 sec	6
2	Paperclip	9.5 sec	3
3	china teapot	14 sec	5
4	U	6 sec	1
5	U	7 sec	2
6	scissors	11 sec	4

2. Which combination of magnet and object was the fastest?
The small round one with the big round one.

3. Why do you think this was?
Because they are strong magnets.

4. Which combination was the slowest?
The magnet used in Number

5. Why do you think this was?
Because the magnet has weak magnet.

Learning Intention:

I am learning how to manipulate objects quickly using a magnet.

I am learning how to use littleBits and create circuits using magnet magic.

Success Criteria:

I can choose appropriate magnetic objects to use.

I can record my results accurately.

I can create circuits that include dimmers, sound triggers, buzzers and bar graphs.

Small circle black magnet	metal ball	20 sec	6
U shape, small black magnet	metal clip	10 sec	5
Small circle black magnet	magnet	10 sec	4
Circle with yellow	peg	5 sec	2
Circle purple yellow	paper clip	9 sec	3

2. Which combination of magnet and object was the fastest?
Big long yellow magnet and paperclip.

3. Why do you think this was?
Because the paper clip is light.

4. Which combination was the slowest?
Metal ball and circle small black magnet.

5. Why do you think this was?
Because the metal ball wasn't very magnetic.

A Grand Finale!

The Year 6 students finished with a bang today as 6 Marshall and 6 Gillespie completed the planting of their vertical garden beds. The hard work and commitment the students have shown throughout this project has been rewarded by some excellent outcomes. They reviewed their work against the success criteria and it was great to see how they had managed to address all points; space saving, sensory focus, use of recycled materials and appealing to Transition students. We have yet to hang them from the fence but I hope you enjoy the photos of their handy work below.

Extra Information:

1. Our school sports day is a whole school event and the focus is on participation and enjoyment. Everyone should be encouraging this by cheering their classmates, friends, children and house mates on
2. Students run in ages according to what they are at the end of the year. That means they may be competing with students in other year groups.
3. Ribbons will be given out for 1-4 of each running heat (100m and 200m) as well as finals. It is the top times to get into the finals– not placing from heats.
4. Ribbons will be given out for 1-4 for Middle/ Upper field events.
5. Ribbons will be given out 1-4 for 800 m races (there are no heats)
6. Ribbons will be given out 1-4 for shuttle relays.

What do students need?

- House colours– come dressed in Sun Smart house coloured clothes for the day (no singlets).
- Running Shoes
- Labelled Hat
- Labelled water bottles
- Plenty of healthy snacks to keep you going.

Note for Parents

When your child's year group is not out at events a normal class program will be run.

The canteen will be open at recess and lunchtime on all Sports Days!

Be Sun Smart!

There will be sun screen for you to use at school but be extra prepared and put on sunscreen before school. Remember to wear sun smart clothes.

Teddy Bear Picnic - What a fabulous turn out of kids and bears though there were a few who ended up a bit disappointed because they forgot and were too busy playing. The cooking room has been full of chatter, music, laughter and of course lots of bears, biscuit decorating fun and sprinkles for 2 days. I hope all your children enjoyed it and feel even more part of a community and that they aren't facing challenges like absent parents alone. Watch this space next week for some Early childhood photos of the fun. As the DSTA I am aware that the Jun/Jul/Aug period is particularly busy for ADF personnel and their families due the ongoing Border Protection Command tasking and the sea, land and air exercise series. There may be changes in how your child is feeling and interacting at school. Please let me and your teacher know of upcoming absences or changes of circumstance so we can work together to support your child. Keep connected to your local community (through sports, clubs, community houses) and support networks (like DCO, Defence Family Helpline, VVCS) to help with the challenges during these times. Check out your DCO website www.defence.gov.au/dco or Facebook page with some coming events in July.

Coffee Connections! Friday 20 July 2018, 11.15am–12.15pm. Join DCO at Eva's Café in the George Brown Darwin Botanic Gardens. ADF members and families are invited to join the Darwin FLO for a coffee and a catch up. Take the opportunity to meet other families and share experiences. Find out about family services that assist with the mobile military lifestyle. Coffee is at attendee's own cost unless advised otherwise. MORE INFO www.defence.gov.au/dco. FamilySMART Dealing with military life. DCO is hosting a workshop on dealing with challenging aspects of Defence life. Part of the FamilySMART program, this self-care workshop helps partners of ADF members identify and build on their strengths, learn techniques to cope with the stresses of the military lifestyle, and become more resilient, self-reliant and proactive. Take the opportunity to meet others, share your tips and develop or refine your own self-care plan. Light refreshments will be provided. Minimum of five participants required. This is a child-free event. KidSMART - Dealing with military life. A DCO program to help primary-age kids manage issues arising from posting, relocation and deployment. The KidSMART program will help kids learn how to manage change, stay connected with friends, meet new people, cope when feeling stressed or anxious (particularly during times of parental absence and mobility), handle emotions and relaxation. This program will suit children who are between 9-14 years old. Children should bring lunch, snacks and a drink bottle for the day. Minimum of five participants required. WHERE: Museum and Art Gallery of the NT, 19 Conacher St, Darwin WHEN: Friday 20 July 2018, 8.45am–2.00pm RSVP: by Wednesday 18 July to dco.darwin@defence.gov.au or 08 8935 7900

News from the Student Leadership Team

Everyone looked amazing last Friday dressed to the 90's... it was great to see so many different costumes and denim, denim, denim!!!

Our music stands have arrived and they look amazing! We can't wait to add the school flags to the stands and use them at assembly.

This week, we wish all the students the best as they run, jump, throw and be the best athletes they can be! It will be exciting to see our new banners on display on Friday.

Remember Zooper Doopers are on sale after school on Friday, so after a tough day running, why not come and purchase one to cool down.

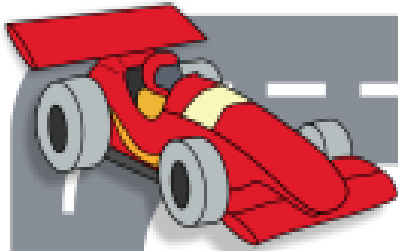

Thank you for your support,

THE SLT TEAM
