Larrakeyah Primary School

Newsletter, Wednesday 6th June, Term 2

Dear Parents and Guardians,

The wearing of school uniform is compulsory in all government schools. Please ensure that your child wears their full school uniform every day and that you are aware of the school uniform policy. It has been noticeable that some students are starting to wear shorts that are not the colour of the Larrakeyah Primary school uniform. Full school uniform is part of the high standards at Larrakeyah Primary. Please have a read of the uniform policy on the school website www.larrakeyahprimary.com.au

If students are wearing leggings or jumpers in the cooler weather, it is recommended that these are navy blue or black. We also have a school jacket that can be purchased.

Registration for Term 3 Extra Curricular Program (ECA) is open and there are some new and exciting activities. We are extending beyond the school to offer greater opportunities to our students. Registration information was sent home last week and registrations close on Monday 18th June. Online registration is preferred www.schoolinterviews.com.au and the code is cy66r

We have had a few issues recently with parents parking in the Drop-Off-Zone and leaving their vehicle. This has caused a traffic issue as the Drop-Off-Zone is designed as a quick drop-off and pick-up area to keep traffic flowing to avoid congestion. We have very clear signs and yellow lines that indicate **No Parking** in this zone. **Parents need to remain inside their vehicle.** In the interest of student safety and courtesy to other drivers, please continue to remember the following:

Do not park in the Drop-Off-Zone. If you have to get out of the car to escort your children into the school, preschool or come to the front office, please find a carpark. This may need to be on the street.

Move as far along as possible before dropping off your children as this allows other cars to move in behind you. Please continue to move to the start of the yellow line.

Do not stay in the middle of the carpark to drop off your children. This is very dangerous for children and obstructs cars moving out of the Drop-Off-Zone.

Regards,

Fathma Mauger

News from the School Council

Dear Parents and Carers

It has been noted how friendly the school environment is in the morning and afternoon when we drop off and pick up our children. I am proud to be Chair of a school where parents are good role models for our students. Thank you.

How good is the weather? Lets hope it stays that way for the next couple of months for our school events.

Make sure you have the following dates in your diary:

Tomorrow (Thursday 7 June) – Whole of School Disco

Tuesday 13 June – Family Fun Day meeting in Room 20

Friday 15 June – 90's Dress Up Day and nominations for Darwin Show close.

Wednesday 20 June – Sports Carnival (Middle/ Upper - Track and Field).

Thursday 21 June – Sports Carnival (Early Childhood - Tabloids).

Friday 22 June – Sports Carnival (Whole School - Running)

Friday 22 June – Dry Season Family Night at Preschool

Friday 31 August – Family Fun Day

Please consider attending the Family Fun Day meeting. All money raised will go to the purchase of IT equipment which will benefit our students.

I have donated 3 slinky machines to the year 6 students. Please consider putting an apple with spare change in your child's lunch box to support the year 6 students.

If you want to have fun whilst organising and running activities and events to benefit our school please contact: Danni Mattiazzo on email: danni.mattiazzo@ntschoools.net.

Or, if you want to help out in a different way please consider joining a sub-committee. We are looking for parents to join the Out of School and Holiday Care (OSHC) Sub-Committee. Please call our Assistant Principal, Rick Collister on phone: 8981 3211.

The School Board is looking into how we can make cost savings and is considering solar panels. We will keep you informed.

Please do not hesitate to email me: ganleys@bigpond.net.au if you want clarification on any Board considerations or have any concerns.

Together let's make our school community even greater than it is.

Chair, Larrakeyah Primary School (IPS) Board

Year 1 Parker Writing Focus

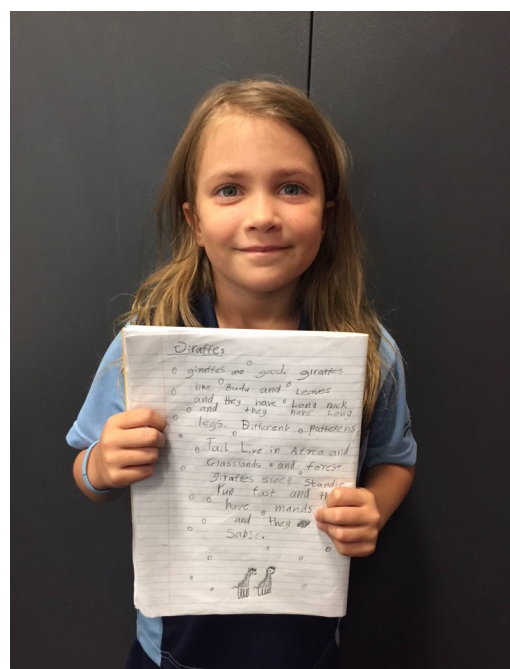

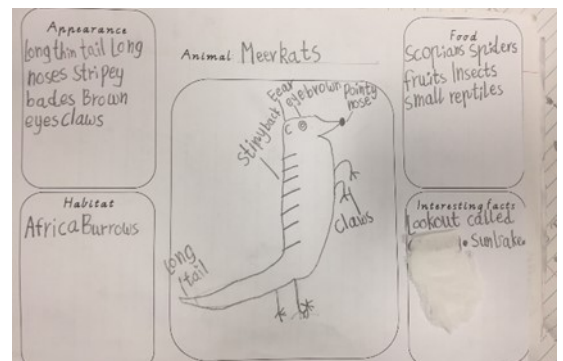

Learning Intension: We are learning to write information texts.

Success Criteria:

We can identify and collect information about animals.

We can write facts about animals using simple and compound sentences.

In Year 1 Parker, we are loving learning about different African animals, writing facts about them and presenting our information texts to our peers.

Visible Learning in P.E with Mr.King

Learning Intention:

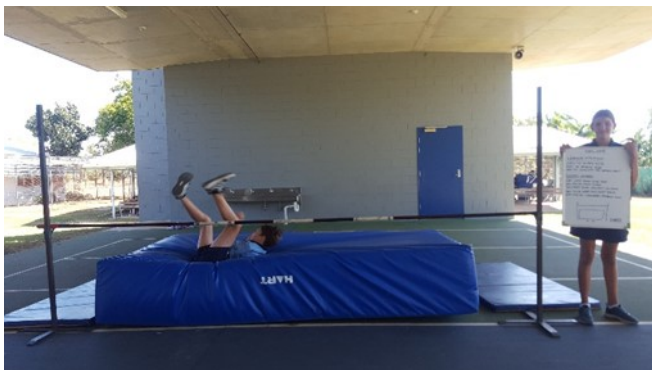

We are learning to jump the scissor kick and fosbury flop in high jump

We are learning to sling discus.

Success Criteria:

We can take off from our strong foot and drive with our knee in high jump.

We can grip the discus with our first finger knuckle and sling using our feet, knees, hips and chest.

Cooking and Gardening with Mrs. Tutty

The End Is In Sight!

This week our lovely Year 6 students have been finalising their vertical garden beds with some beautiful painting. It has been fantastic to see how diverse the designs are, given the materials available were fairly limited. I have also been impressed with how students have worked together to overcome problems arising from bringing their 2 dimensional designs in to a 3 dimensional reality. It has been a fantastic learning journey! Next week we will begin planting! I can't wait! We are hoping to enter a couple of the best designs into one of the categories for the Darwin Show; watch this space!

Warm Regards

Emily Tutty

News from the Student Leadership Team

Last week we had our Students v Teachers game of Touch Footy. A huge congratulations to the students for winning 3 tries to 1.

Thank you Mr. King for umpiring the game.

Yesterday, we also visited Mr. Paul Kirby MLA Member for Port Darwin. We had great conversations about how to make tough decisions, how decisions for the NT are made, how to speak in public and why leadership is important. Thank you Mr. Kirby for hosting us and spending time with us.

Every Friday the SLT will have giant games on the grassed area near the Sports Shed during recess and lunch. These games were purchased with last year's budget, and this year we added to the games. We hope with the lovely cool weather students will enjoy the games!

Just a kind reminder that on the 15th of June we have our 90' dress up day. There is a gold coin donation and all clothes must comply with our Sun Smart Policy.

Thank you for your support,

THE SLT TEAM

News From the DSTA

My goodness it is week 7 already, how time flies. Not long now until the school holidays, there will be so many things to do during the dry season. I am hearing many stories of busy weekends and camping. Please keep up the healthy breaky and lunchboxes, drink water and good sleep routines for another few weeks of term to keep the kids on track and focused for successful learning.

More parents are going away on training and exercises and it becomes difficult to know who is coming and going, so please send me a quick email with the parent's away dates and possibly their email address so I can support your child and do activities with them. Emails from school are a fun easy way to keep in touch and an opportunity for students to discuss any of their concerns in the process.

Apologies for any students who attended DKC (Defence Kids Club) at lunchtime but it was cancelled due to DSTA training at DCO. Last week the students did dancing, colouring and pogo stick jumping. Pogo-ing is a new concept of negotiating the bouncing up and down on the spot for many of the kids, trying to coordinate the balancing, while pulling up and pushing down and holding on in-between, is not easy. We used it as the basis for our discussions on resilience, that not only do we have to sometimes ask for help to get started but we have to keep trying with the ups and downs and if we fall off then we just take a deep breath and give it another go and it is only practise that makes us good. Some students were a bit nervous but the other students gave them the confidence to try and before long they were patiently waiting for another turn. An important point of resilience it is not only about bouncing back, but how we bounce forward beyond where we started.

Yet again a choco-block full of info edition of The Top Ender Magazine has been sent out. Hope you have yours, otherwise email thetopender@aapt.net.au to get on the mailing list for the next edition.

I sent a couple of spies out to join in the Kookaburra Kids camp last weekend and the Intel is Awesome Fun! This program is for serving and ex-serving ADF families – supporting kids who have a parent with a mental illness as a result of military service. If you're not sure that's for you ring Ashleigh 1300566525 or 0448912459 to find out. For more info www.kookaburrakids.org.au
