

Larrakeyah Primary School

Newsletter, Wednesday 25th July, Term 3

Dear Parents and Guardians,

A warm welcome to the start of Semester Two. It has been great to see students returning enthusiastically to school after the break. Welcome to new staff – Rachita Jain who has accepted a full time teaching position in Transition and David Ashton who is teaching Year 4.

Yesterday we had a very productive staff development day. The focus for staff was on 21st century learning, Mathematics, Visible Learning and our school targets.

Our Extra-Curricular Activities (ECA) program continues to be successful and will commence next week for Term 3. We have moved outside the school with the ECA program, to now include golf, ice skating and ice hockey.

I trust Semester Two will be both happy and successful. The partnership between home and school is always important. If you have any concerns or issues regarding your child, we encourage you to contact the class teacher in the first instance. Rick Collister (Assistant Principal Early Childhood), Tash Guse (Assistant Principal Middle/Upper), Steve Lineham (Senior Teacher Early Childhood), Brad King (Senior Teacher Middle Primary) and Danni Mattiazzo (Senior Teacher Upper Primary) and myself are also available.

Regards,

Fathma Mauger

Principal

Welcome Back! Hope you all enjoyed your holidays. I am getting heaps of tales about camping, travelling and visiting family. It sounds like everyone had a terrific time making the most of time and the gorgeous dry season.

We have another very busy term ahead of everyone. Please consider how the impact of a good sleep routine, healthy breakfasts, lots of water, active activities and exercise affects and supports good learning outcomes in our students. Please make sure your child has a hat (name on), water bottle and easy nibbling nutritious lunchboxes so your child can go out with their friends to play outside. It is a regular complaint that kids can't find their friends or have to stay undercover and miss out on the fun because they have no hat or are still eating.

I hope some of you got to enjoy the FamilySmart and KidSmart activities provided by DCO over the holidays to help families and children learn strategies on dealing with the challenges of Defence life.

As the DSTA I am aware that the Jun - Aug period is particularly busy for ADF personnel and their families due the ongoing Border Protection Command tasking and the sea, land and air exercise series. There may be changes in how your child is feeling and interacting at school. Please let me, and your child's teacher, know of upcoming absences or changes of circumstance so we can work together to support your child. Keep connected to your local community (through sports, clubs, community houses) and support networks (like DCO, Defence Family Helpline, VVCS) to help with the challenges during these times.

Save the date for Cuppa & Cake on 17 August 2018, 8:30am in the Staffroom. Please join me for our Term 3 catch up on 17 August 2018. We hope to have coordinators from your local community houses and Sarah from Kookaburra Kids joining us.
