FROM THE PRINCIPAL

Dear Parents and Guardians,

Larrakeyah Primary School has been selected and shortlisted in the World's Best School Prizes for Supporting Healthy Lives. The application process highlights our commitment to student wellbeing and the programs we have that support this. Our students in Year 5 and 6 participate in QUEST in Term 3 as a way of bringing real life contexts to the classroom through the process of inquiry, Kitchen and Gardening program supports health, hygiene and nutrition and our school wide YouHue program to support social and emotional learning. For more information about the awards please use this link: https://bit.ly/3zCxugl

Thank you to our school community for supporting our teachers with the professional development day last Friday. Teachers were involved in the whole school professional development day that focussed on wellbeing, Visible Learning and goal setting, mathematics and writing. The time for professional development is important for continuous

EDUCATION

school improvement and the day was highly successful.

Students and teachers are excited about the upcoming Athletics Days in Week 10. On Wednesday 22nd June our Middle and Upper Primary Students will compete in field events and the heats for 100m and 200m and our Early Childhood (Transition to Year 2) students will participate in Tabloids events on Thursday 23rd June. This culminates in the Whole School Running Day on Friday 24th June where our Preschool students and those aged 5-7 years will compete in a 50m sprint and students aged 8-12 years who have qualified for finals will race on this day. There will be a Sausage Sizzle from 10am on Friday 24th June in the undercover area in the upper primary playground. We look forward to welcoming parents and families to share in the excitement of the Athletics Days.

Next Wednesday 22nd June, Semester One student reports will be sent home. Parents should be aware of their child's progress through the 3-way conferences last term and communication with the teacher. Below are the definitions of the A-E grades that teachers will be using: A = Evidence of learning demonstrates

outstanding achievement at this year level.

B = Evidence of learning demonstrates high achievement at this year level. C = Evidence of learning demonstrates sound achievement at this year level. D = Evidence of learning demonstrates limited achievement at this year level. E = Evidence of learning demonstrates very limited achievement at this year level.

Some parents consider a "C" grade as not good. However, a "C" grade means that the student is performing at the expected year level and it is where the majority of our students are placed. It is important that parents discuss the report with their child, identifying strengths and possible areas for improvement.

Regards, Natasha Guse **Acting Principal**

From the Larrakeyah Primary School Board Chair

The new Covered Outdoor Learning Area is complete with the landscaping progressing well, and the planter boxes are being setup as part of the Cooking and Gardening Program. Whilst the use of the COLA structure has not yet been required to support school programs, it is now ready to do so whenever the necessity arises.

It has been great to see the Extra Curricular Activity program continuing to prove popular with students after its hiatus during Term 1. Unfortunately, increasing costs for buses has necessitated an increase in the fee for those activities which are undertaken away from the school.

A review the policies of the Outside School Hours Care program is underway. A number of policies have already been ratified at recent meetings by the School Board, with more policies to reviewed as the year progresses.

Whilst the traffic situation in Packard Street has been stable for some time, it is extremely concerning to see cars still turning right into the school carpark in contravention of the law and in blatant disregard to the safety of our children and other members of the school community. The congestion caused by vehicles making this illegal right turn completely compromises the sight lines that are essential for the safety of pedestrians using the school crossing. Please, please choose a safe alternative irrespective of whether the road is busy or not.

The construction plans for the new Pre School and General Learning Area block are in the process of being finalised. Once these are complete, the Board will reinvigorate efforts to secure funding for these essential projects. Whilst the previous Minister for Education advised a tentative funding commitment for the 2024/25 financial year, the Board strongly believes this work needs to be brought well forward. Whilst there is still a small remaining amount of classroom capacity for additional primary students, the immediate need is for pre-school capacity to allow any child of pre-school age who resides within the school catchment area to be enrolled in the Kindergarten program.

Regards Chad Banfield Chairperson Larrakeyah Primary School Board <u>Ips.schoolboard@education.nt.gov.au</u> 0427 462 423

Defence School Mentor

Hope you all enjoyed a fabulous long weekend celebrating the Queen's birthday in the glorious dry season weather. Last week's Defence Kids Club activity was to make crowns in preparation for the Queens Jubilee Anniversary and we all need to feel special like a prince or princess every now and again. This week students made their own paper dog and read "Sticking Together" by Rex D. Dog from Defence Housing Australia (DHA). Rex moves house, makes new friends and realises how important it is for his family to stick together especially when his mum or dad goes away. If you would like a copy then please let me know. If a parent is away we can help support your child during the time of parental absence. There are a range of activities that might be helpful and fun for them to do while Mum/Dad is away.

What a busy school term it has been with dress up days and discos last week; sports days and Colour Fun Run next week. Many of you have had the juggle of Covid, flu's and super busy work schedules, so I am sure you are all looking forward to enjoying the school break. Remember to keep the Defence Family Helpline 1800 624608 number handy if you require information or support over the break. The DMFS website is also handy for info and advice <u>https://defence.gov.au/members-families/Family/kids/Programs-products.asp</u>

There are a few Defence families already posting out of Darwin, we hope they leave with many happy and amazing memories and wish them all the best on their future adventures. These students are in the process of making mementos with friends and farewell activities to help prepare them for their goodbyes and the changes ahead. If you are posting out end of term please let me know ASAP so no one misses out.

Please consider following the Larrakeyah Neighbourhood House and Robertson Barracks Family Group on Facebook as they have information on upcoming events and activities that they and DMFS will be holding. In Darwin there are a number of free and fun activities over the holidays from libraries, Fun Buses, cycle paths, playgrounds, Botanic Gardens, Museums, shopping centres, school holiday programs and water parks. A few handy links for activities: https://northernterritory.com/darwin-and-surrounds/events,

The Top Ender Tri-Service Magazine has just published the June/July edition full of Dry Season information and articles <u>https://www.thetopendermagazine.org.au/</u> you can read it online if you didn't get your copy.

Seasonal sports are about to change, there are many benefits of playing sport and joining teams not only great for making new friends; developing physical fitness, self-esteem and confidence; improving movement and coordination skills; learning to listen and follow instructions and basic tactics; learn to lead, follow and be part of a team; learn about fair play and being a good sport. All these can help develop your child's education, learning and wellbeing at school too. The next round of \$100 NT Government Sports Vouchers will be coming out in July to help with the costs of school age students getting active through sport, recreation and cultural activities. See the link to get yours

Mindfulness Friday 3rd of June 2022

On the 3rd of June, students from Transition to Year 6 were involved in Mindfulness activities. At the beginning of Term 1 and 3, students participate in a wellbeing survey. These surveys give teachers an indication of areas of need for student wellbeing. After analysing the results for each year level teachers designed and created a Mindfulness activity to complete with 2 groups. On Friday afternoon, students were split between various year levels. They then went to 2 different classes and completed a Mindfulness activity. Some activities were Meditation, Breathing Techniques, Taming Angry Feelings, Gratitude and a whole lot more.

After students participated in their 2 activities they then went back to class and completed YouHue. They needed to pick an emotion and make a comment on how they were feeling after completing the activities.

From analysing the YouHue results, students enjoyed themselves and would love to do this activity again. We are hoping to complete this afternoon again later in the year.

Reading Awards

Term 2 Week 8

Early Childhood

Level 10

Alexa Lockley	1 Brown	Annabel Blair	1 Stenhouse

Help Needed

Our Reading Room needs help changing students daily readers.

Please call **89813211** and let us know if you can spare some time to help our school reading program.

Reading Room Lady

Items and Valuables at School

Please note that it is advised that students <u>are not</u>sent to school with toys or valuable items, including smart watches, as they can become lost and/or damaged.

Students will have full responsibility of the items or valuables and the school accepts no responsibility in the event an item or valuable is lost or damaged.

Larrakeyah Primary School 2022

Athletics Sports Carnival

Zone Qualifying Sports Day Thursday 5th May 8:30-12:15pm

The Zone Qualifying Sports Day is for students who will be 10—13 years old by December 31st 2022 to qualify for the Darwin Region Zone Interschool Athletics Gala Day. Students will compete in Long Jump, High Jump, Shotput, Discus, 100m and 200m. The top 2 boys and girls in each event will be nominated to attend the Darwin Region Zone Interschool Athletics Gala Day in June to represent Larrakeyah Primary School.

Viddle and Upper Primary Track and Field Sports Day

Wednesday 22nd June 8:30-12:15pm

The Middle and Upper Primary Track and Field Sports Day is for students in Year 3—6 to compete in Long Jump, High Jump, Shotput, Discus, 100m and 200m. Students are competing for placing ribbons and for points in the House Athletics Sports Carnival Championship.

Early Childhood Tabloids Day

Thursday 23rd June 8:30-12:05pm

The Early Childhood Tabloids Sports Day is for students in Transition—Year 2 to compete in Sling Throw, Long Jump, Bulls Eye, High Jump, Egg and Spoon Relay, Shotput, Over Under and the Sack Relay. Students are competing for fun, fitness and for points in the House Athletics Sports Carnival Championship.

Whole School Running Day: Finals

Friday 24th June 8:30-12:45pm

The Whole School Running Day: Finals is for students in Preschool—Year 6 to compete in running events. All Preschool and 5-7 year old students will compete in the 50m sprint. Only students aged 8–12 who have qualified for the finals in the 100m and 200m will race on this day. Students are racing for fun, fitness, placing ribbons and for points in the House Athletics Sports Carnival Championship.

*Parents and families are welcome to attend all the Athletics Sports Days, however we must remain Covid Safe so please stay out of the student tents and apply Covid Safe practices throughout the days.

All fundraising will go towards purchasing new resources for our school.
