## FROM THE PRINCIPAL

Dear Parents and Guardians,

Next week is our last week of the school year. 2025 draft class lists will be displayed outside the front office next Tuesday afternoon. This list will be in draft as staff changes can occur prior to the commencement of the 2025 school year. Student reports will be sent home with students next Wednesday. Next Wednesday we also have "Meet The Teacher" where students will meet their new teacher for 2025.

Once again, we had an excellent school board this year who supported Larrakeyah Primary to continue to operate as an Independent Public School. Many thanks to our Board members this year – Kirsty Rees, Hayley Leuken, Natalie Dimmock, Nicholas Peters, Leigh Robke, Cheryl Thompson and

Mary Boeck. Thank you also to all parent volunteers who have given us their time to support in various ways throughout the year. Your support has been greatly appreciated.

It has been another outstanding and rewarding year at Larrakeyah Primary. Our school review was an excellent acknowledgement of the strong commitment to student achievement and wellbeing as well as recognition of excellent teaching and innovative programs. We are proud to end the year with our Arts Specialist teacher, Angeline Vrettis, winning the category 'Inspiring Educator Award' at the NT Performing Arts Awards. This is so well deserved as Angeline delivers an outstanding Arts program as well as the highest level of school productions

each year. Congratulations Angeline!

We extend best wishes to families for the festive season. A reminder that next Thursday 12th December is the last day of the school year. Please note that students resume next year on Wednesday 29th January 2025.

Regards,  
Fathma Mauger  
Principal

# From the Board

Hello Larrakeyah School Community,

Wow! What a whirlwind of a year that was! Last year was going to be hard to beat with the 60<sup>th</sup> birthday celebrations, but again this year, Larrakeyah Primary School delivered an outstanding education for our children whilst maintaining the strong community connection and events we have all come to enjoy.

My personal favourites are always the Sports Carnival and the School Performance, but this year I had the added bonus (and stress, I won't lie) of the Singapore Trip with my eldest going through Year 6. It highlighted for me yet again the incredible work of our dedicated teachers at Larrakeyah who provide these opportunities and experiences for the benefit of our children through their goodwill and energy. They are truly wonderful, and we are very fortunate to have them walk alongside our journeys, guiding and shaping our children.

This year the Board has focussed on strengthening our Out of School Hours Care (OSHC) Program and advocating for improved school infrastructure. We are pleased to report that our OSHC program has made significant progress in this past 12 months, and we appreciate the parent feedback that we received about the service improvement.

Our position in the queue for infrastructure upgrades was confirmed by former Minister for Education, Michael Monaghan immediately prior to the election. We will continue to advocate for improvement with the new government as the opportunity arises.

Over the holiday period, we are expecting works to commence on upgrade of the junior school playground area, and we look forward to this being completed in early 2025 with some special new pieces to arrive in Term 1, 2025. Watch this space, little ones!

As we close out 2024, a reminder to all parents to please download your copy of A Night at the Oscars. The download will remain available for only a short time from now until the end of the term before it will be removed from the provider's website. Whilst the performance recording didn't come with on physical disk this year, a USB in a nice gift box will make a wonderful Christmas gift for the grandparents.

Moving into 2025, may I please remind families of the school's annual voluntary contribution of \$150 per child. These contributions allow the school to deliver a range of benefits to enhance our childrens' experience at LPS, including books for the library, the mobile laptop trollies, and the sporting equipment available on the oval and through the student borrowing system for lunchtimes. It would be great to continue to deliver these important enhancements to the learning experience.

Lastly, I would like to wish everyone a Merry Christmas and well-earned break away from the 'busy' with the people who matter most. See you all in 2025.

# Defence School Mentor

*hello!* **DKC** Defence Kids Club had its annual Hermit Crab racing and Sandy crab was grand champion again. Lots of fun was had and many children overcame their own personal fears and touched or picked up their racers. All crabs were amazing ambassadors of showing students Resilience, Courage, and confidence = big Smile!

This week is also the Farewell Pizza Party with 60 students coming along to say goodbye to most of our 30 Defence students leaving LPS. Thank you to our kind parent volunteers that will be pizza elves at the party.

**DKC Farewell Pizza Lunch - Thursday 5<sup>th</sup> December 2024**

**Apple slinky** last spiralling on Tuesday recess.

I have been busy updating little blue school passports, photo sessions with friends, leaving leaves and new school research to assist students in their transition out of Larrakeyah and on to new adventures, hopefully with a confident and positive mindset. It is a sad and happy time looking back on memories that have been made and the new memories we will build. The friends we will say goodbye to, for both those going and those staying. An easy way for friends to keep in contact is to have a suitable email address that you can have your student give to friends or use a kid's messenger platform. See the DMFS website for advice on [Moving with children | ADF Members & Families | Defence](#) and [Changing schools | ADF Members & Families | Defence](#)

*Thank you to all the ADF families who have volunteered in the school over the last year, your kindness and effort is appreciated and thank you to those that have continued to support the Defence School Mentor Program.*

In case I don't get the opportunity to personally wish you all a happy holiday in the crazy last week of School. Have fun on school holidays, wherever you go and whatever you do shine bright! For those leaving all the best for your future adventures and those returning see you in 2025!
