FROM THE PRINCIPAL

Dear Parents and Guardians,

Welcome to the start of the 2026 school year. It is wonderful to see students returning to school and those who are starting their first year at school. A special welcome to our new students who have enrolled and our new staff.

The Northern Territory Government has a \$200.00 per child Back To School Payment Scheme. The Back To School Scheme entitlement funds are provided to schools on behalf of parents. Schools provide the goods and services for parents to purchase with their entitlement. Parents or guardians of NT students enrolled from Preschool to Year 12 in Term 1 are eligible for the Back To School Payment Scheme which must be accessed by the end of Term 3. However, parents or guardians of preschool students enrolled in an NT school can access the entitlement in the term the student first enrols provided their child has not previously enrolled and attended another NT school in 2026. If you have not yet accessed the \$200 NT Government Back To school Payment, please visit the front office.

The School Board has suggested \$150.00 for voluntary parent contributions. Many thanks to those parents who have already made voluntary parent contributions to the school as these funds further assist our school innovative programs and projects.

Larrakeyah Primary relies on parent voluntary contributions to enable the school to provide additional student and school resources and programs.

This year, parent voluntary contributions will help to provide:

- Darwin Entertainment Centre venue for the whole school concert
- Subsidising the Extra Curricular Activities – community engagement
- Additional equipment for students to

access at recess and lunch breaks

- Additional technology in classrooms
- Upgrade to student playground areas

The wearing of full school uniform is compulsory in all government schools. Larrakeyah Primary strictly enforces the uniform policy. Please ensure that your child wears their uniform to school every day. This includes the school shorts/skorts if wearing the school shirt. Black/navy leggings may be worn underneath school shorts or school skorts.

Larrakeyah Primary is an Independent Public School (IPS) – one of the first six selected IPS in the Northern Territory and recognised for its commitment to high expectations, high standards and high achievement. We are very proud of our school achievements, particularly winning the 'Best Use of Technology' award last year at the Australian Education Awards, being recognised as one of 34 top schools in Australia and being identified last year as the top government school in the NT for significant student growth over the years in NAPLAN.

I trust 2026 will be a happy and successful year. The partnership between home and school is always important. If you have any concerns or issues regarding your child, we encourage you to contact the class teacher in the first instance. Myself, Brad King (Assistant Principal Middle/Upper Primary), Danni Mattiazzo (Assistant Principal, Early Childhood), Ashleigh Church (Senior Teacher Early Childhood), George Mamouzellos (Senior Teacher Middle Primary Years 3 & 4) and Riley France (Senior Teacher Upper Primary Years 5 & 6) are also available.

Regards

Fathma Mauger

Defence School Mentor

hello! and Welcome everyone! If by chance you haven't met me yet or got my emails, my name is Jodie Murdoch, and I am your Defence School Mentor (DSM). For those that don't know, my role is to support the 60+ Defence (Army, Air Force, Navy) students and their families during their time at Larrakeyah Primary. My office located in the Reading Room (next to room 9), and I am here Tuesday, Wednesday 8:30am to 3pm and Thursdays 9 to 2pm this term. If you are a Defence Family and haven't already received an email from me, please let me know so I can make sure I have the right details to contact you and support your child throughout the year. Hopefully you will settle well into your new classes and new routines. If you find you have concerns, your child is having difficulties, or you have deployments happening, please let me and your teacher know so we can suitably give the support your child requires.

Healthy easy bite size lunchboxes so no-one gets left behind eating while new friends play.

Parent phone number slips of paper that your child can give to a new friend for parents to organise an out of school playdate to help cement the friendship from "a kid in my class" to "my friend".

NO MOBILE PHONES OR PERSONAL DIGITAL DEVICES

Students in Northern Territory Government Schools are not permitted to use mobile phones or personal digital devices during the school day, including break times. This requirement reduces distractions and disruptions to learning, encourages social interaction and physical activity, and helps to create a safe environment free from cyberbullying and online content.

This means that students are not permitted to have mobile phones or digital devices in their possession during the school day. Phones need to be handed in to the class teacher at the start of the day.

Breaches of this policy will result in phones being confiscated from students.

Thank you for your support in reinforcing this expectation.

and travel safely and responsibly every day!

REMINDER TO PARENTS – NO RIGHT HAND TURN INTO THE SCHOOL

The City of Darwin have erected a sign prohibiting a 'Right Hand Turn' from Packard Street into the main school 'Kiss and Go' carpark. Please be advised parents need to abide by the road regulations.

SCHOOL BUS TRAVEL

Please take note of the bus routes in the links below and speak to your child about the best bus for them to catch. Bus 103 can become quite congested in the afternoon with some students unable to get on due to numbers. Bus 209 is an alternative option for some of our students, especially those who live in Bayview.

Be sure to check the links for details regarding your bus services and policies, including the Code of Conduct for school bus travel (referred to as the Code). It is crucial for parents to become familiar with the Code and ensure that their children understand the policy before allowing them to ride the school bus
